

Think and Write #3 What is A.D. Gordon's attitude towards working the land?

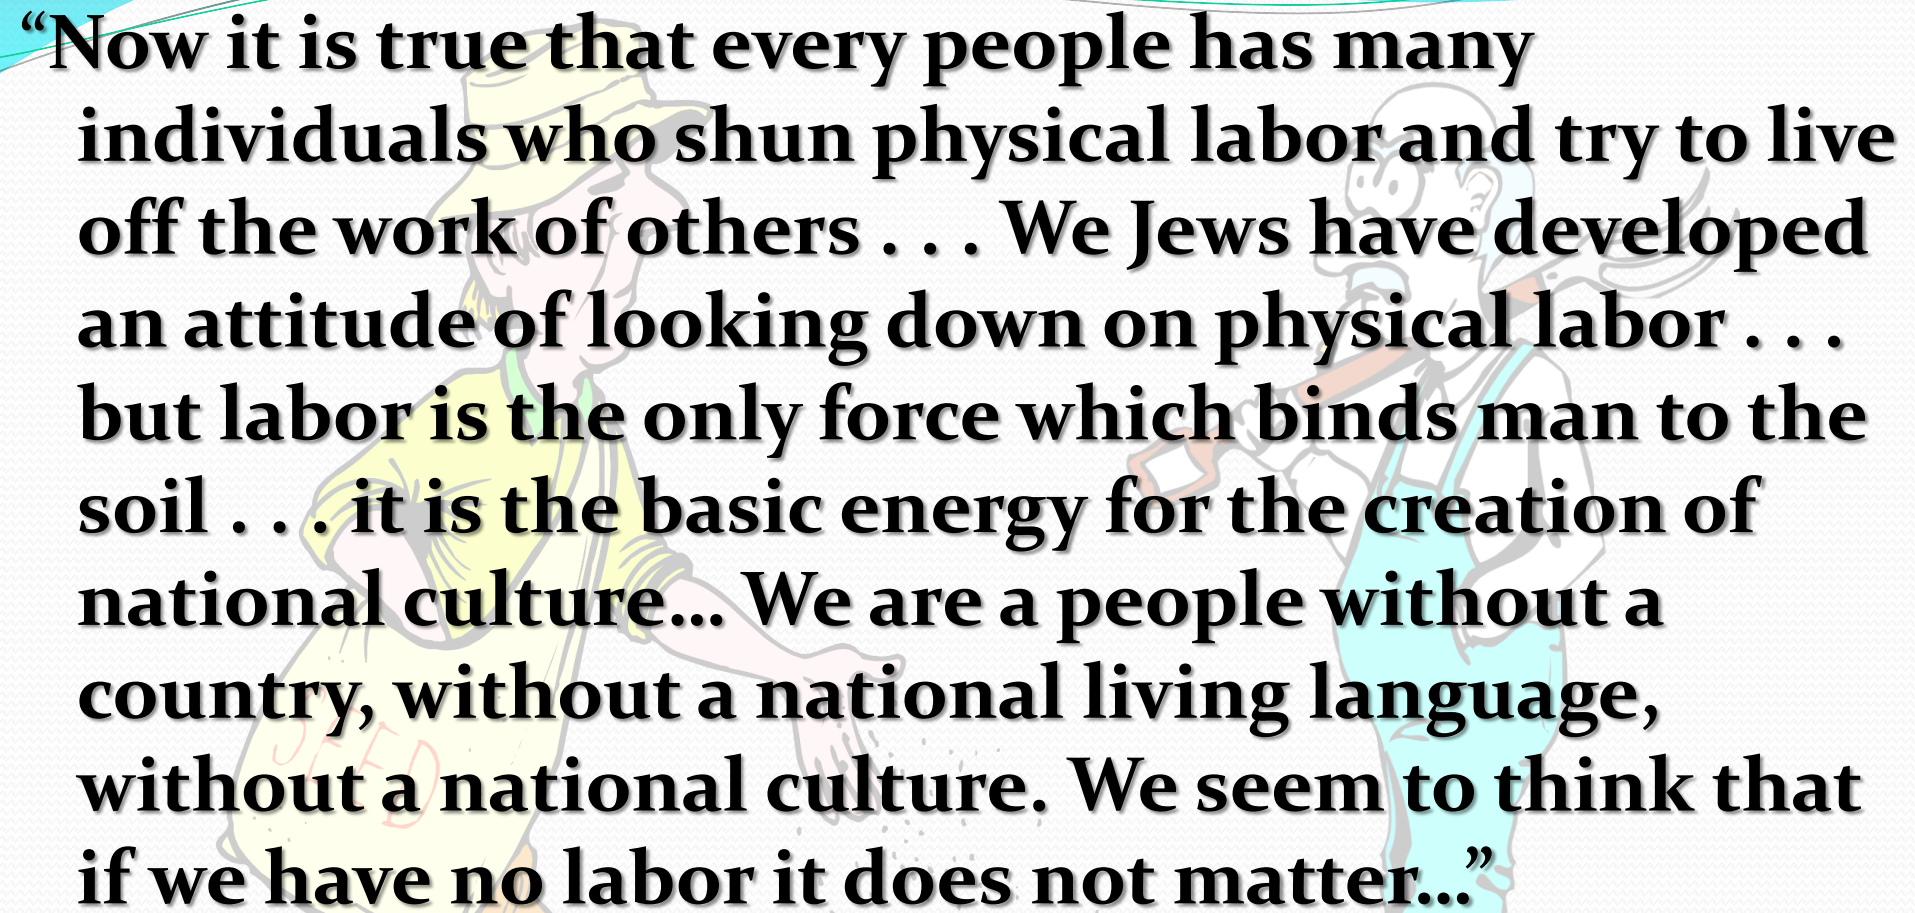

“A living people always possesses a great majority to whom labor is its second nature. Not so among us. We despise labor . . . There is only one path that can lead to our renaissance - the path of manual labor, of mobilizing all our national energies, of absolute and sacrificial devotion to our ideal and our task . . . Our people can be rejuvenated only if each one of us recreates himself through labor and a life close to nature.”

- A.D. Gordon, “Some Observation”

“Now it is true that every people has many individuals who shun physical labor and try to live off the work of others . . . We Jews have developed an attitude of looking down on physical labor . . . but labor is the only force which binds man to the soil . . . it is the basic energy for the creation of national culture... We are a people without a country, without a national living language, without a national culture. We seem to think that if we have no labor it does not matter...”

“I have decided that in order to have our own land and political life it is also necessary that we have a language to hold us together.

“To prepare the Hebrew language for use as a spoken language in all facets of life - in the home, school, public life, business, industry, fine arts, and in the sciences . . . To preserve the Oriental qualities of the language ... and to add the flexibility necessary to enable it fully to express contemporary human thought”

האחדות

עתון לעניני הפועלים והמוני-העם בארץ ישראל.

יוצא לאור על ידי מפלגת הפועלים העברים הסוציאל-דמוקרטית בארץ ישראל (פועלי-ציון)

ירושלם, תמוז, תר"ע № 1 שנה ראשונה.

שחמספר קטן וישנם שני אלה—סוף הישוב להתקיים ואף להתרבות בכמותו. אך במקום שאין עבודה עצמית מבפנים, הנובעת מהחיים ונשענת בהם עצמם, יש הישוב הולך ומתגון ואין חיו חיים.

בוגרנו.

הננו ננשים להוצאת עתון חדש, המיקדש לעניני הפועלים והמוני העם העברי בא"י ובתפוצתה.
