

“It is the greatest good to the greatest number of people which is the measure of right and wrong.”

Jeremy Bentham

Think and Write #11

Read the quote and then answer:

How much should govt. be involved in the economy or any other part of everyday life?

Aim # 11: How did Economist

Propose to
Improve the Plight
of the Working
Class?

“A person may cause evil to others not only by his actions but by his inaction, and in either case he is justly accountable to them for the injury. “

I. New Economic Theories

A. Utilitarianism

1. .

.

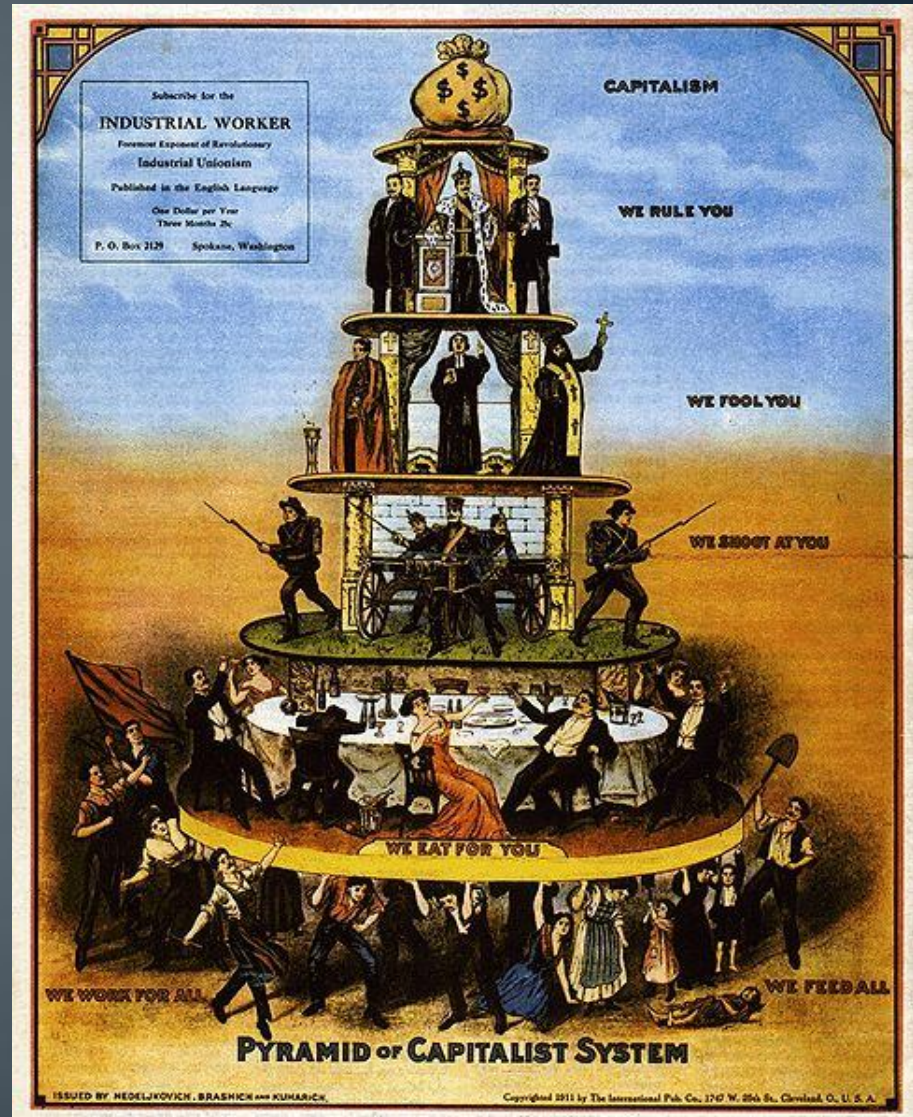

- How Can Govt. promote one business over another?
- What would make something better for the people?

Aim # 11: How did Economist Propose to Improve
the Plight of the Working Class?

Social Classes During the Industrial Revolution

- **Upper class elite, 5%**
(owned most of the country's wealth)
- **Middle classes, 15%**
(women worked at home raising kids- many saw standard of living increase)
- **Lower classes, 80%**
(lived mostly in tenement housing-tightly packed apartment like housing)

Aim:#12 How did Karl Marx propose to improve the plight of the working

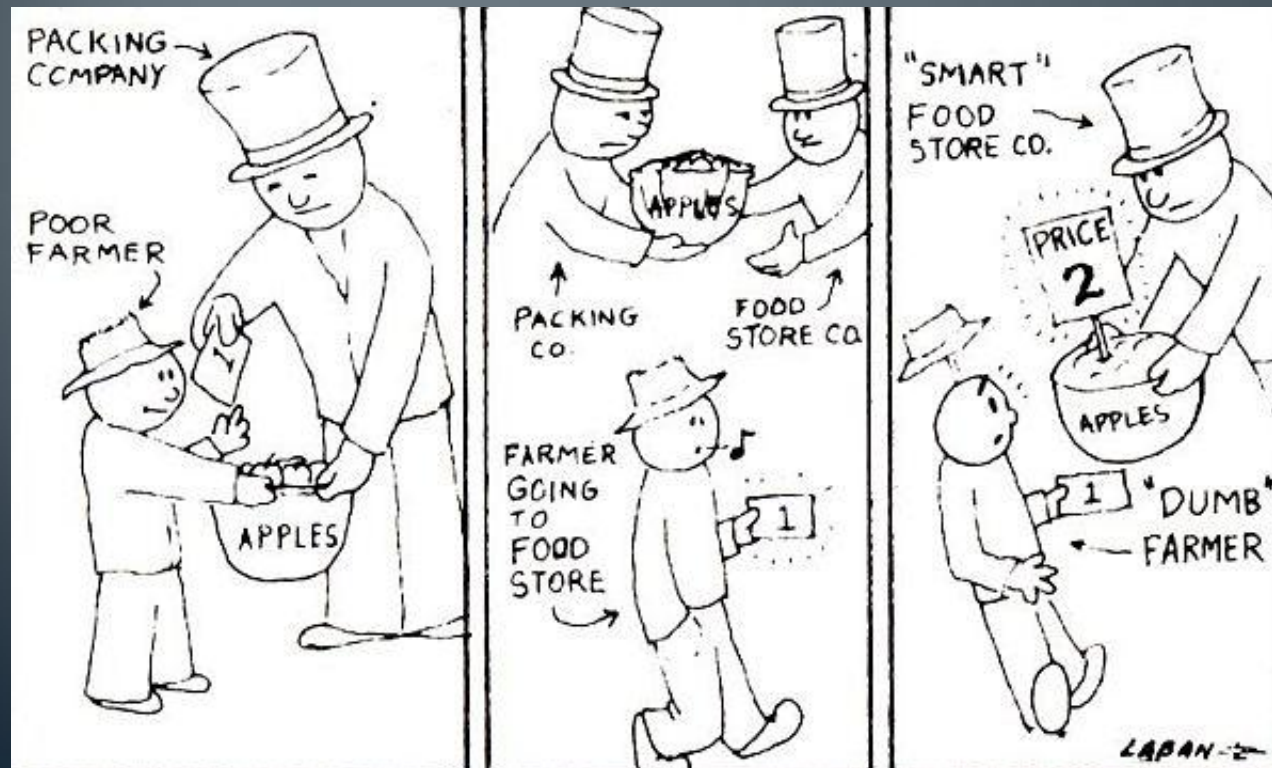

B. Socialism
