B. DEFINITION

Fascism is the totalitarian philosophy of government that glorifies the state and nation and assigns to the state control over **every** aspect of national life.

Based on the Roman *Fasces*, a symbol of power during the Roman Republic.

C. Ideology of Fascism

3. “The nation has not disappeared. We used to believe that the concept was totally without substance. Instead we see the nation arise as a palpitating reality before us! ... Class cannot destroy the nation. Class reveals itself as a collection of interests—but the nation is a history of sentiments, traditions, language, culture, and race. Class can become an integral part of the nation, but the one cannot eclipse the other”
