## 1. Definition-

# III. Stalin's totalitarian elements

## A. Social Control

1.

# Stalin's totalitarian elements

2.

- ◆ One current gallery exhibit about Stalin notes:
  - "Only a few photographs of Stalin exist from his youth and the early revolutionary period. A past was created for Stalin through works of art. He was often cut and pasted into photographs to create an artificial history which placed him at the forefront of events."
